

Purpose

ITEC Level 3 Diploma in Nail Treatments

QAN 601/0585/9

Aims and Objectives

The main aim of the ITEC Level 3 Diploma in Nail Treatments is to enable Learners to gain the necessary practical and theoretical skills in order to provide Nail Treatments to the general public and to gain employment in the Nail Industry. This qualification is suitable for Learners aged 16 and over and is designed to provide occupational competence at Level 3. It also provides a sound platform into further training at Level 3 and 4

Content

This qualification is for Learners who want to work within the Nail Industry. The qualification consists of 9 mandatory units with a total of 385 hours of Guided Learning (GL) to achieve the full qualification

The main you will perform are:

- Care of the nails on the hand including hand massage and application of polish
- Care of the nails on the feet including foot massage and application of polish
- Applying and maintaining nail enhancements - liquid and powder, gel and wraps
- Designing and applying nail art
- The use of airbrushes in nail art design
- The use of electric files to enhance the nails

You will also develop knowledge about the structure and functions of the nails and skin, contraindications to treatment, nail and skin analysis, related health and safety, client care and communication, and working with others in the beauty related industries which is essential in order to work and be successful in the industry

This qualification also provides:

- The related knowledge and understanding required to perform the nail treatments listed above as well as understanding the structures that the Learners will be working over in particular recognition of skin types, skin and nail diseases and reasons that may affect whether a client should or should not be treated
- Opportunities for Learners to focus on the development of their wider skills in a beauty therapy setting, such as communicating with clients, working with others and problem solving
- Opportunities for Learners to develop a range of skills, techniques, personal qualities and attitudes essential for successful performance in employment as a Nail Technician

Why Choose the ITEC Level 3 Diploma in Nail Treatments?

1. This Qualification combines the full range of skills and knowledge for the Learner seeking employment or self-employment as a Nail Technician at Level 3. There are other ITEC Certificates and Diplomas in Nail Treatments at Level 3; however, these do not cover all the skills. This qualification enables the Learner to offer additional skills which may be required by employers within the Industry

2. This Qualification is listed in the Ofqual Register of Qualifications
3. This Qualification contains all the skills and knowledge required for employability at Level 3
4. Learners may progress on to Level 3 or 4 qualifications such as the ITEC Level 3 Diploma in Beauty Therapy and the ITEC Level 4 Diploma in Spa and Salon Management or an Apprenticeship at Level 3
5. This qualification does not form part of an Apprenticeship
6. This qualification is recognised by all relevant professional bodies within the Beauty Therapy and Nail Industry for membership and insurance purposes at Level 3

Opportunities for Employment

There are opportunities for Nail Technicians to find employment in a variety of areas:
