

Purpose

ITEC Level 4 Certificate in Micro-Pigmentation Treatment

QAN 600/3950/4

Aims and Objectives

The main aim of the ITEC Level 4 Certificate in Micro-Pigmentation is to enable Learners to gain the necessary practical skills and knowledge in order to provide Micro-Pigmentation Treatments to the general public and to gain employment in the Beauty Industry. The qualification is suitable for Learners aged 18 and over and is designed to provide occupational competence at Level 4. It also provides a sound platform into further learning at Levels 4

Content

This qualification is for Learners who want to work within the Beauty Therapy Industry. The qualification consists of 2 mandatory units with a total of 119 hours of Guided Learning (GL) to achieve the full qualification

The main skills you will perform are:

- Enhancing the client's appearance using Micro-Pigmentation – to include consultation, skin (Fitzpatrick scale) and hair analysis, carrying out relevant tests prior to treatment, recognising contraindications and contra-actions, treating different areas including eyes, brows and lips and adapting the treatment to the client's specific needs
- Managing health, safety and security in the salon

You will also develop knowledge about related health and safety, client care and communication which is essential in order to work and be successful in the Beauty industry

This qualification also provides:

- the related knowledge and understanding required to perform the Micro-Pigmentation Treatment listed above effectively, in particular anatomy and physiology and common diseases and disorders that may affect when a client should or should not receive treatment
- opportunities for Learners to focus on the development of their wider skills in a Micro-Pigmentation setting, such as communicating with clients, working with others and problem solving
- opportunities for Learners to develop a range of skills, techniques, personal qualities and attitudes essential for successful performance in employment as a Micro-Pigmentation Specialist

Why Choose the ITEC Level 4 Certificate in Micro-Pigmentation Treatment?

1. This Qualification combines the full range of skills and knowledge for the Learner seeking employment or self-employment as a Micro-Pigmentation Specialist at Level 4. There are other ITEC Diplomas in Micro-Pigmentation however they contain the skills of Laser and Light Treatments. This qualification enables the Learner to become specialised in Micro-Pigmentation ready for employment in Industry
2. This Qualification is listed in the Ofqual Register of Qualifications
3. This Qualification contains all the skills and knowledge required for employability at Level 4
4. Learners may progress on to qualifications such as the ITEC Level 4 Diploma in Advanced Skincare, the ITEC Level 4 Diploma in Spa and Salon Management or a Degree in Management

at University, the ITEC Level 4 Diploma in Laser and Light Treatments, the ITEC Level 4 Certificate in Laser and Light Treatments for Skin Rejuvenation or the ITEC level 4 Certificate in Laser and Light Treatments for Hair Removal

5. This qualification does not form part of an Apprenticeship
6. This qualification is recognised by all relevant professional bodies within the Beauty Therapy Industry for membership and insurance purposes at Level 4

Opportunities for Employment

There are opportunities for a Micro-Pigmentation Therapist to find employment in a variety of areas:

- Beauty salon
- Spa
- Hotel or resort
- Own business

Please see the letters of support from employers within the industry, including [Steiner Training Limited](#), [The Carlton Group](#), [Champneys](#), [Alexandra House](#), [BABTAC](#) and [House of Beauty](#)

Opportunities for Progression

Once Learners have achieved the ITEC Level 4 Certificate in Micro-Pigmentation Treatment they may progress on to other ITEC or equivalent qualifications at Level 3 and 4 for example:

- Level 3 Diploma in Spa Treatments
- Level 4 Certificate in Laser and Light Treatment for Skin Rejuvenation
