ITEC Level 2 NVQ Diploma in Hairdressing (QCF) QAN 601/5795/1

I represent the National Hairdressers' Federation (NHF) which is the UK's largest employer-led trade association, representing hairdressing, barbering and beauty salon owners.

We are pleased to provide this letter of recognition for the ITEC Level 2 NVQ Diploma in Hairdressing (QCF) QAN 601/5795/1 as we believe this qualification is fit for purpose in terms of progression to employment. The qualification is valued as it is listed on the Ofqual Register of Qualifications and also covers all of the core skills and underpinning knowledge required at Level 2 in the hairdressing industry. This qualification enables access to professional indemnity insurance to cover hairdressers whilst working on their clients.

As such this qualification enables graduates to undertake the following specific skills in the workplace:

- Shampooing and conditioning
- Cutting women's hair
- Colouring hair using permanent colour
- Dressing hair
- Reception duties
- Maintenance and display of stock

The skills outlined above enable graduates to undertake the following job roles in employment:

- Hairdresser
- Junior stylist

Employment may be gained in a variety of settings:

- Salons
- Destination spas
- On board cruise liners
- Product companies

This qualification offers further progression for graduates if they wish to go on to become senior hairdressers specialising in advanced colouring, cutting and styling techniques and competition work, as they can undertake the ITEC Level 3 Diploma in Hairdressing (QCF) QAN 600/6995/8 or the ITEC Level 3 NVQ Diploma in Hairdressing (QCF) QAN 601/5798/7. These qualifications would not be possible without the underpinning knowledge and skills developed at Level 2.
