

Task Assessment Form

Name of Learner

TA917 (B/C)

ITEC Level 2
ITEC Unit 917 - Facial Care for Men

INSTRUCTIONS - This assessment sheet must be completed in full for each learner by the Internal Assessor

- **Setting up the scene** – The learner must demonstrate facials for men, on a minimum of 2 individuals with differing characteristics, either in an appropriate workplace or a realistic simulated workplace
- **Conducting the assessment** – The evaluation should be based on the criteria detailed below. The assessor should base their evaluation entirely on the learner’s performance during the assessment exercise; they should remain objective and should not coach or distract the learner during the assessment. Please indicate with a ✓ criteria that are completed successfully, indicating with an X criteria that have not been completed successfully. **Once all boxes have been ticked the assessor must place a ✓ in the pass box indicating that the task is complete**
