

TA924(A)

ITEC Level 3
Unit 924 - Camouflage Make-Up
Task Assessment Form

Name of Learner

INSTRUCTIONS - This assessment sheet must be completed in full for each Learner by the Internal Assessor

- **Setting up the scene** – The Learner must demonstrate completing a record card/case study, on a minimum of 2 individuals with different skin conditions for Camouflage Make-Up, either in an appropriate workplace or a realistic simulated workplace
- **Conducting the assessment** – The evaluation should be based on the criteria detailed below. The Assessor should base their evaluation entirely on the Learner's performance during the assessment exercise; they should remain objective and should not coach or distract the Learner during the assessment. Please indicate with a ✓ criteria that are completed successfully, indicating with an X criteria that have not been completed successfully. **Once all boxes have been ticked the Assessor must place a ✓ in the pass box indicating that the task is complete**

Criteria	Assessor's Comments				
	Completed	Completed	Completed	Completed
