

Task Assessment Form

iUCT27 – Provide basic massage therapy techniques for complementary therapies

Name of Learner: _____

This assessment sheet must be completed in full for each learner by the Internal Assessor

- **Conducting the assessment** – The evaluation should be based on the criteria detailed below. The assessor should base their evaluation entirely on the learner's performance during the assessment exercise; they should remain objective and should not coach or distract the learner during the assessment. Please indicate with a ✓ criteria that are completed successfully, indicating with an × criteria that have not been completed successfully.
- **Once all boxes have been ticked the assessor must place a ✓ in the pass box indicating that the task is complete.**

Criteria	Assessment						Assessor's comments
