

Scheme of work

For each VTCT (ITEC) qualification, the lecturer/centre must complete a scheme of work for each unit indicating how the Lecturer is planning to cover the unit content throughout the course. Set out the planned sessions in terms of learning outcomes to be achieved. These should match those stated within the VTCT (ITEC) unit specification. Include all units of each course offered. Hours should meet the minimum guided learning hours listed within the unit specification.

Unit title: iUBT371 - Asian bridal make-up

Total contact tuition hours proposed: 60

Lecturer(s) responsible:

Learning objectives	Lecture content	Suggested resources	Approx. hours
Introductory session	<ul style="list-style-type: none"> College rules and regulations College mission statement ITEC rules and regulations Health & safety Timetable Dates – holidays etc. Syllabus Recommended books Uniform 	<ul style="list-style-type: none"> Lecture Q&A Using all the documents listed to ensure the students understand the college expectations and their commitment to the course 	
1. Be able to prepare for the application of Asian bridal make-up			
Prepare themselves, client and work area for Asian bridal make-up	<ul style="list-style-type: none"> Preparation of working area Equipment Products Work wear Personal appearance and behaviour Hygiene e.g. sterilising/sanitising tools and equipment Procedures used to prepare client for treatment Client care and modesty 	<ul style="list-style-type: none"> OHP/Whiteboard Lecture Q&A Homework Test An example of a consultation form can be 	20

<p>Use suitable techniques to identify the make-up objectives</p>	<ul style="list-style-type: none"> • Consulting in a suitable area • Positive body language • Positioning of the client • Good communication skills (asking open and/or closed questions where appropriate) • Professionalism • Contra-indications and contra-actions • Treatment plan • Make-up chart • Products used • Consent • Confidentiality • Client's signature 	<p>downloaded from www.itecworld.co.uk</p>
