

Marking Criteria

iUBT398 – Provide self-tanning treatments

Once all aspects of the mandatory units have been completed, learners will be expected to complete an internal practical assessment. This will be undertaken by an internal assessor using the internal assessment forms. These must be handed to the external examiner on the day of the final external practical examination.

Practical skills examination sequence – approximately 60 minutes

- Consultation to be carried out prior to the exam
- Client preparation
- Exfoliation
- Full self-tanning treatment
- Aftercare and home care advice
- Oral questions may be asked at any time during the examination
- Consultation forms must be filled in by each learner and made available for the external examiner to check. These should be reviewed and completed at the end of the treatment and will be taken away by the examiner
- Learners will be expected to demonstrate excellent hygiene and client care throughout as well as competence in their relevant skills
- The examiner may reduce the treatment timings, as the examination is a demonstration of the learner's professionalism and their accomplished technique
- Approximate time allocated for changeover of practical examination groups – 15 minutes

Learners must achieve a minimum of 3 marks for appearance and 3 marks for client care in order to pass the practical examination.
