Learner Guidance Notes

General Advice

1. Requirements for Undertaking this Qualification

ITEC recommend that you should have achieved a level of education equivalent to five GCSEs at grade A*-C and must hold the ITEC Level 2 Diploma for Beauty Specialists or equivalent prior to commencing the ITEC Level 3 Diploma in Facial Electrical Treatments; however your Centre may make exemptions for adult returners with experience of the workplace.

2. Structure of the Qualification, Guided Learning (GL)

The ITEC Level 3 Diploma in Facial Electrical Treatments is comprised of 1 mandatory unit with a total of 250 hours of Guided Learning (GL) in order to achieve the full qualification. However, you will also be required to complete further study and generate evidence of your learning in your own time. This is known as Total Qualification Time (TQT), please see Table 1 below:-

Table 1

ITEC Unit Number	Unit Title	Assessment	Grading
13	Facial Electrical Treatments	Practical examination	Pass 60% - 74% Merit 75% - 89% Distinction 90% - 100%
		Evidence of 5 treatments	Pass or Refer
		50 MCQ - papers or online	Pass 60% - 74% Merit 75% - 89% Distinction 90% - 100%

Total Guided Learning (GL) - 250

Total Qualification Time (TQT) - 380

3. Grading of the Qualification

All assessment tasks required for the unit of the qualification (detailed in Table 1 above) must be completed and awarded a Pass mark before the full qualification can be certificated

The overall qualification is graded - Pass - 60% - 74%, Merit - 75% - 89%, Distinction – 90%-100%. This is formed by the aggregate mark for the multiple-choice questions papers and the Final Practical Examination

Your results and Certificates will be sent to your Centre by ITEC. Therefore, you will need to collect your results and Certificates from your Centre

4. Assessment of the Qualification

The ITEC Level 3 Diploma in Facial Electrical Treatments will be internally and externally assessed using a variety of assessment methods as set out in Table 1 above

Once you have completed all the specified assessments for the qualification and your Lecturer has awarded a Pass mark for all the evidence you have submitted, you will have a Final External Practical Examination carried out by an ITEC Examiner, who will also verify a sample of all the evidence you have

completed during your training to ensure it meets the ITEC standard

Practical Examination Sequence

Once all aspects of the mandatory units have been completed, you will complete a Final Internal Practical Assessment. This will be observed by your Lecturer using the ITEC Internal Assessment forms. The results will be reviewed by the ITEC External Examiner on the day of your Final External Practical Examination

- a. You will be expected to perform a Facial Electrical Treatment. The ITEC External Examiner will require you to demonstrate the use of Galvanic and High Frequency and one other piece of electrical equipment chosen by the Examiner

You will perform the following treatments in sequence for your internal and external practical examinations:

- b. Practical Examination sequence – approximately 1 hour

You will need to supply a client that can receive all the following treatments in order to complete your examination:-

Practical Skills Examination sequence – approximately 1 hour

- Clients should be on the couch and ready for the treatment
 - Consultation to be carried out prior to the exam
 - Tactile and thermal sensitivity tests should be carried out and recorded prior to the exam (evidence to be shown to the Examiner)
 - You must demonstrate Galvanic and High Frequency plus one other machine
- c. You will be asked oral questions during the Final Practical Examination
 - d. You will need to complete Consultation Forms for your client for the ITEC External Examination. This should be reviewed and completed at the end of the treatment and will be taken away by the Examiner
 - e. You will need to demonstrate excellent hygiene and client care throughout your examination as well as competence in all your skills
 - f. The ITEC Examiner may reduce the treatment timings, as the examination is a demonstration of your professionalism and your accomplished skills

Multiple-choice Tests

Each question is formatted in the same way:

- 1 stem (the question)
- 1 key (the correct answer)
- 3 distractors (incorrect answers)
- You must indicate the answer you believe is correct by placing a mark in the appropriate box on your answer sheet

Multiple-choice tests are used for unit 13 - online testing of all relevant units is also available

Treatment Evidence/Portfolio of Evidence

You are required to provide evidence of treatments that you have performed on clients during your training under the supervision of your Lecturer who will monitor the quality of your treatments in order to ensure that they meet the ITEC criteria

- The criteria are detailed on the Treatment Evidence Guidance Forms. They are graded Pass or Refer
- You will need to complete a Client Consultation Form as evidence that you performed the required number of treatments during your training (see Table 1) as they form part of your internal assessment for the qualification. They can be stored in your ITEC E-portfolio
