

ITEC Level 2 NVQ Diploma in Beauty Therapy Make-up QAN 501/0272/2 Specification

Aims and Objectives

The main aim of the ITEC Level 2 NVQ Diploma in Beauty Therapy Make-up is to enable Learners to gain the necessary practical skills and knowledge in order to provide Beauty Therapy services to the general public and to gain employment in the Beauty Industry. The qualification is suitable for Learners aged 16 and over and is designed to provide occupational competence at Level 2. It also provides a sound platform into further learning at Levels 2 and 3

Content

This qualification is for Learners who want to work within the Beauty Industry. The qualification consists of 7 units, all of which are mandatory; Learners must also select optional units covering a minimum of 44 hours of guided learning (GL). A minimum of 365 hours of guided learning are required to achieve the full qualification

The main skills the Learner will perform are:

- Consultation techniques – to include planning and preparation, contraindications and contra-actions
- Facial skincare treatments – to include cleansing, exfoliation, massage, facial masks and adapting the treatment to suit the client's specific needs
- Make-up services – to include planning the make-up to suit the specific needs of the client, application of make-up and aftercare advice
- Enhancing the appearance of eyebrows and eyelashes – to include grooming and shaping the eyebrows and tinting lashes and brows
- Instructing clients how to use and apply skincare and make-up products – to include delivering skincare and make-up instruction using a variety of instructional techniques

The Learner will also develop knowledge about related health and safety and client care and communication and how to promote additional services and products to customers which is essential to work and be successful in the Beauty Industry

The Learner will also be able to choose from a range of optional units to complete the qualification, for example:

- Provide Threading Services
- Assist with Spa Operations
- Enhance Appearance using Skin Camouflage
- Carry out Ear Piercing
- Fulfil Salon Reception Duties

The qualification also provides:

- The related knowledge and understanding required to perform the Beauty Therapy skills listed above; in particular anatomy and physiology and common diseases and disorders that may affect when a client should or should not receive treatment

- Opportunities for Learners to focus on the development of their wider skills in a Beauty Therapy setting, such as; communicating with clients, working with others and problem solving
- Opportunities for Learners to develop a range of skills, techniques, personal qualities and attitudes essential for successful performance in employment as a Beauty Therapist

Why Choose the ITEC Level 2 NVQ Diploma in Beauty Therapy Make-up?
