# Assessment

All internal theory examination (MCQ), performance evidence, and underpinning knowledge must be completed.

This portfolio of evidence containing performance evidence and assignments may also be verified by an external quality assurer who will sample learners' work.

**Table 2**

Unit code	Mandatory units	Assessment	Grading
iUHB224	Bridal hairstyling	Portfolio of evidence – 3 performances	Pass/Refer
		MCQ	Pass 60%-74% Merit 75%-89% Distinction 90%-100%

Unit specifications and additional supporting material for this qualification can be found on the iTEC website.

## Grading of the qualification

Learners must achieve a Pass grade or higher in the requisite number of units as specified in the rules of combination, see Table 1 above. Only mandatory units which are graded Pass/Merit/Distinction will contribute to the overall grade.

Theory examinations will be graded Pass/Merit/Distinction.

Portfolio of evidence containing the following will be graded Pass/Fail:

- Performance evidence

The overall qualification is graded Pass/Merit/Distinction.

Grade boundaries for units and the overall calculation for the qualification grade are open to annual review. Following this review, these boundaries and overall calculations can be adjusted by VTCT. This review and possible change within a qualification are to ensure the standard of the qualification grade is upheld throughout the qualification's lifecycle.

## Theory examination

All theory tests must be conducted in a controlled environment and follow the procedures defined by VTCT (ITEC). The theory tests will be set and marked by VTCT (ITEC). The centre is responsible for ensuring the examination can operate seamlessly by organising the process as defined in the 'Instructions for Conducting Examinations' which can be found on the iTEC website.

## Portfolio of evidence

Learners are required to provide evidence of performances and/or case studies that they have performed on clients during their training under the supervision of the lecturer who will monitor the quality of the treatments in order to ensure that they meet the criteria.

- The criteria are detailed on the treatment evidence guidance forms

- The learner will need to complete a client consultation form as evidence that they performed the required number of treatments during their training (see Table 1) as they form part of the internal assessment for the qualification. They can be stored in the learner's portfolio

# Quality assurance

## Delivery of the qualification

A scheme of work must be approved by VTCT (ITEC) for all units prior to the commencement of the course.

Lecturers should aim to deliver the theory and practical of each unit simultaneously, i.e., both theory and practical of each unit should be taught together to ensure the underpinning knowledge is being delivered at the same time as the practical skills. This will help to ensure that learners understand the structures they are working on as a result of combining delivery with the practical application of treatments.

## Centre resources

The organisation delivering the qualification must provide a suitable environment for teaching the VTCT (ITEC) Level 3 Award in Bridal Hairstyling as well as all salon equipment both fixed and free standing to complete all aspects of delivering the qualification. Learners need to be made aware of the hairdressing tools and equipment they will be required to provide.

## Achievement record

All units will require an Achievement Record to be completed by the lecturer for each learner. This achievement record will need to be kept by the centre and may be sampled by the external examiner or external quality assurer on their visit.

An Achievement Record for each unit can be downloaded from the ITEC website.
