QAN 501/0191/2
Specification

Aims and Objectives

The main aim of the VTCT Skills (ITEC) Level 2 NVQ Diploma in Nail Services is to enable Learners to gain the necessary practical skills and knowledge in order to provide Nail Services to the general public and to gain employment in the Nail Industry. The qualification is suitable for Learners aged 16 and over and is designed to provide occupational competence at Level 2. It also provides a sound platform into further learning at Levels 2 and 3

Content

This qualification is for Learners who want to work within the Nail Industry. The qualification consists of 8 units, all of which are mandatory; 329 hours of guided learning are required to achieve the full qualification

The main skills the Learner will perform are:

- Carrying out consultations – to include contraindications and planning and preparing for the services
- Pedicure treatments – to include care of the feet and nails, massage of the feet and lower leg, application of polish and aftercare advice
- Manicure treatments – to include care of the hands and nails, massage of the hand and lower arm, application of polish and aftercare advice
- Application of nail art – to include designing a plan and application of nail art using sequenced nail art techniques to achieve the required design
- Nail enhancements – to include application and maintenance and creating a natural finish
- Salon reception duties – to include maintaining the reception area, booking appointments and handling payments

The Learner will also develop knowledge about related health and safety, any relevant legislation, the Code of Practice for Nail Services, how to promote additional services and products to customers and client care and communication which is essential to work and be successful in the Beauty Industry

The qualification also provides:

- The related knowledge and understanding required to perform the nail skills outlined above; in particular the anatomy and physiology of the hand and lower arm and the feet and lower leg and common diseases and disorders that may affect when a client should or should not receive treatment
- Opportunities for Learners to focus on the development of their wider skills in a nail setting, such as communicating with clients, working with others and problem solving
- Opportunities for Learners to develop a range of skills, techniques, personal qualities and attitudes essential for successful performance in employment as a Nail Technician

Why Choose the VTCT Skills (ITEC) Level 2 NVQ Diploma in Nail Services?

1. This Qualification combines the full range of skills and knowledge for the Learner seeking employment or self-employment as a Nail Technician at Level 2. This qualification is the only VTCT Skills (ITEC) Level 2 NVQ Diploma in Nail Services that meets the current National Occupational Standards
